Gymnastics Australia

"Gymnastics Australia is committed to providing opportunities for our athletes to remain in the sport as coaches and officials. The Duke 4Sport initiative is an excellent vehicle for GA to achieve their strategic goal to grow our volunteer workforce by offering opportunities for our young coaches and officials to develop important life skills that will benefit them in their involvement with gymnastics and their interactions with our community. Gymnastics Australia is a proud partner of the Duke 4Sport initiative and we look forward to a long and mutually beneficial relationship."

HOOPS 4 LIFE

"Delivering the Award our young people and the broader community enables HOOPS 4 Life to share the message of sports, community and service. We have found this in our partnership with The Duke of Edinburgh's International Award and can see the growth and development in our young people because of it. Every club should aim to become a Duke 4Sport partner as it offers a framework to accredit and map the development of young people through sports."

WEST TORRENS BIRKALLA SOCCER CLUB

"At West Torrens Birkalla we believe that our role in supporting young people in sports goes beyond the health and fitness benefits that come with playing football. Communication skills, team work, leadership, coping with winning and losing, are all life skills we believe make great footballers, but even better people. We are proud to partner with and support The Duke of Edinburgh's International Award as a way to complement the skills gained in sport."

What Is a Duke 4Sport?

The Duke of Edinburgh's International Award contributes to the personal development of young Australians through each of the Award Sections, with the Physical Recreation component encouraging Participants to lead a healthy and active lifestyle.

A Duke 4Sport partnership creates a link between the Physical Recreation Section of the Award, the Service Section (Volunteering) of the Award and sporting activities already undertaken by the Award Participants belonging to the Duke 4Sport club.

By becoming a Duke 4Sport partner, clubs and associations will not only have the opportunity to assist and deliver a globally recognised Award, but will also enhance their ability to attract and retain players, as well as securing regular and ongoing volunteers that will be hugely beneficial to the club.

Join the Award as a Duke 4Sport partner today and help us inspire more young people to live an active, healthy and rewarding lifestyle!

What Does It Cost?

There is no cost associated with becoming a Duke 4Sport partner, only recognition of the Award. The value for our organisation is not financial but one of increased brand recognition and positioning to encourage more young people to start their Award journey.

The commitment of becoming a Duke 4Sport is initially 2 years.
